Closure of  
Negotiations

Time (GMT)	Organizer	Session Title
9:30 - 11:00	<b>WELCOME SDG7 COFFEE HOUSE</b>	
11:00 - 14:00	<b>OPENING CEREMONY: WORLD LEADERS SUMMIT - Main Plenary</b> The SDG7 Pavilion is closed during the World Leaders Summit Opening Ceremony	
14:00 - 15:00	<b>SDG7 COFFEE HOUSE</b>	
15:15 - 16:00	Modern Energy Cooking Services (MECS)	<b>SDG7: How do we scale low-carbon cooking?</b>
16:15 - 17:00	D-REC Initiative	<b>Mobilizing corporate climate leadership to accelerate a just energy transition in emerging markets</b>
18:15 - 18:30	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	

Time (GMT)	Organizer	Session Title
8:45 - 9:15	<b>GEAPP / European Investment Bank MoU Signing</b>	
9:30 - 10:15	ACCESS Coalition	<b>Making the last mile the first mile</b>
10:30 - 11:15	Climate Strategy & Partners	<b>Pipeline of renewable energy projects: Ensuring their finance can deliver access to sustainable and affordable energy</b>
11:30 - 12:15	Google / SEforALL	<b>24/7 Carbon-free Energy Compact: Accelerating decarbonization of the world's electricity grids</b>
12:30 - 13:00	Carbon Trust	<b>Stimulating the productive use of energy (PUE) as means to increase energy access, boost livelihoods, build resilience and grow local economies</b>
13:30 - 13:45	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	

Time (GMT)	Organizer	Session Title
14:00 - 14:30	World Resources Institute (WRI)	<b>PLN (Indonesian National Utility) / WRI MOU signing</b>
14:45 - 15:30	UNITAR on behalf of the Global Platform for Action on Sustainable Energy in Displacement Settings	<b>Goodbye to dirty diesel: Decarbonizing energy infrastructure in the UN system</b>
15:45 - 16:45	Africa-Europe Foundation	<b>Target 2030: Reinforcing the Africa-Europe energy partnership</b>
17:00 - 17:45	SNV Netherlands Development Organisation	<b>Results-based financing and leveraging investments to accelerate deployment of distributed renewables for zero-carbon, universal access to energy</b>
18:00 - 19:00	Catalyst Off-Grid Advisors	<b>The \$200bn investment opportunity in providing low-carbon energy access in Africa</b>

Time (GMT)	Organizer	Session Title
8:00 - 9:30	Asian Development Bank	<b>Building a scalable and sustainable energy transition mechanism (ETM) for Southeast Asia: Partnership launch</b>
9:45 - 10:30	International Energy Agency / SEforALL	<b>Commission on people-centered transition to clean energy</b>
10:45 - 11:30	Climate Policy Initiative (CPI) / SEforALL	<b>Paris alignment of finance flows: Challenges and innovative solutions in Asia</b>
11:45 - 12:15	<b>GEAPP / CDC MoU signing</b>	
12:30 - 13:15	Helios Investment Partners	<b>Financing and scaling climate aligned energy infrastructure and productivity solutions in Africa</b>
13:30 - 14:45	Government of Rwanda / SEforALL	<b>Rwanda - A decade of action to advance SDG7; Launch of Energy Compact on clean cooking; Accelerating access investments and SEforALL Forum in Kigali (May 2022)</b>
15:00 - 16:30	Inter-American Development Bank / RELAC	<b>Renewing energy transition ambitions in Latin America and the Caribbean</b>
17:00 - 17:45	Aspen Strategy Group / Aspen Security Forum	<b>Environmental Security and National Security: Critical Connections</b>
18:00 - 19:00	IKEA Foundation	<b>IKEA Foundation partner reception</b> (By invitation only due to COVID19 measures in place)

Time (GMT)	Organizer	Session Title
9:30 - 10:30	UNEP DTU Partnership	The converging agendas of climate change and energy service companies
10:45 - 11:30	Climate Analytics GmbH	Higher, further, faster: Co-benefits of an accelerated energy transition in line with 1.5°C
11:45 - 12:30	GONGLA	Off-grid solar: Powering 1 billion lives by 2030
13:30 - 13:45	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	
14:00 - 14:45	IKEA Foundation	Outrage + Optimism podcast live recording
15:00 - 15:45	Efficiency for Access	How can solar-powered technologies help empower people and protect the planet?
16:00 - 16:45	Acumen	Centring the poor and vulnerable in the global clean energy transition
17:00 - 17:45	University of Cape Town / Carbon Trust	Boosting economic empowerment by building local skills and expertise in clean energy connections
18:00 - 18:30	REN21	Strategic intelligence and influencing for people and the climate
18:45 - 19:00	CORE / Alliance for Rural Electrification (ARE)	Announcement

Time (GMT)	Organizer	Session Title
8:15 - 9:15	Sustainable Energy for All	<b>High-level Breakfast Roundtable</b> (By Invitation only)
9:30 - 10:15	COP 26 Energy Transition Council	<b>Energy transition—driving transformation through international collaboration</b>
10:30 - 11:15	The Nigerian Government	<b>Demonstration of Nigeria integrated energy plan and energy transition plan</b>
11:30 - 12:15	Student Energy	<b>Breaking Barriers for youth to lead on SDG7</b>
12:30 - 13:15	Third Generation Environmentalism (E3G)	<b>Consigning coal to history: No New Coal Power Compact</b>
13:20 - 13:50	Enel Foundation	<b>Youth and women at the forefront</b>
14:00 - 14:45	Clean Cooking Alliance	<b>Empowering governments to lead clean cooking transitions</b>
15:00 - 15:45	Government of Canada / Student Energy	<b>Women leading on climate: Accelerating women’s leadership on climate solutions</b>
16:00 - 16:45	<b>GEAPP / African Development Bank MoU signing</b>	
17:00 - 17:45	SDG7 Youth Constituency	<b>Bridging the generational divide: Championing youth innovation</b>

Time (GMT)	Organizer	Session Title
9:00 - 9:15	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	
9:30 - 10:15	Climate Watch	How is energy considered in countries' climate commitments?
10:30 - 11:30	data.org	Using data to improve energy access, and lower emissions at the last mile – and the platforms and partnerships needed to get there
11:45 - 12:30	World Resources Institute (WRI)	Linking energy and development: A user-centric approach
13:00 - 13:45	Vienna Energy Club (VEC)	Film Projection: "Powering the Future: Clean Energy Innovation in Developing Markets"
14:30 - 15:15	<b>GEAPP / Power Africa MoU Signing</b>	
16:00 - 16:45	Italian Minister for Ecological Transition (MITE)	The green-powered future mission roadmap of global innovation priorities

Time (GMT)	Organizer	Session Title
8:15 - 09:15 (tbc)	Student Energy	Youth dialogue with ministers of Denmark, Sweden and Canada to unpack Global Youth Energy Outlook
9:30 - 10:30	Power for All	Energy employing empowerment - Powering jobs through DRE
10:45 - 11:30	KawiSafi Ventures / Acumen and BCG Green Ventures	Powering Africa's green growth
12:30 - 13:30	Food Tank	Using investment and true cost accounting as levers for food systems change
13:40 - 13:50	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	

Time (GMT)	Organizer	Session Title
14:00 - 14:45	Ashden	Cooler homes, stronger communities
15:00 - 16:30	Food Tank	Lifting up solutions for healthy and sustainable diets
17:00 - 17:45	Practical Action	Using renewable energy to promote inclusive and sustainable agriculture and rural economies that are good for the planet
18:00 - 19:00	United Nations Industrial Development Organization (UNIDO) / SEforALL	Be Bold solutions to boost energy efficiency
19:30 - 20:30	SDG7 Pavilion	SDG7 photo exhibition by Marco Garofalo, sponsored by CANON

Time (GMT)	Organizer	Session Title
9:00 - 09:45	Gender Smart Investing	Investing in gender responsive energy solutions: Why, why now and how
10:00 - 10:45	Shine Campaign / SEforALL	Be Bold invest in women and communities for Covid recovery and a sustainable clean energy future
11:15 - 12:15	Vienna Energy Club (VEC)	Innovation - a catalyst for a net-zero emissions energy transition: Insights and experiences of the Vienna Energy Club
12:30 - 13:30	United Nations Industrial Development Organization (UNIDO)	Enhancing gender equality and women's empowerment to accelerate a just, inclusive and climate resilient energy transition
13:40 - 13:50	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	
14:00 - 14:45	UK Department for Business, Energy and Industrial Strategy	Clean energy innovation and accelerating commercialization
15:00 - 16:00	European Bank for Reconstruction and Development (EBRD)	Financing energy efficiency: Walking the last mile
16:30 - 17:15	Group of Chief Scientific Advisors to the European Commission	Science advice for a clean and fair energy transition: a challenge and a call for action
17:45 - 18:15	ACCIONA ENERGÍA	Tokenization applications in renewables
18:30 - 19:30	Rocky Mountain Institute (RMI)	Cultivating communities of practice - lessons from the global south in pursuit of SDG7

Time (GMT)	Organizer	Session Title
9:00 - 10:30	World Bank/SEforALL	Sustainable mobility for all through clean and affordable energy
10:45 - 11:30	Husk Power Systems	Announcement
12:30 - 13:30	United Nations Industrial Development Organization (UNIDO)	Green hydrogen application driving growth of renewable energy and advancing inclusive energy transition
13:45 - 14:00	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	
14:15 - 15:00	Climate Policy Initiative (CPI) / SEforALL	Powering past coal: Coal power finance in high-impact countries
15:15 - 16:00	Deutsche Gesellschaft für internationale Zusammenarbeit (GIZ) GmbH (tbc)	Making smallholder farming future-proof – smart approaches to promote productive use of energy and strengthening climate resilience
17:00 - 17:45	MUNDU	Launch of the Let’s Act project and announcement of the “Protecting the Planet” learning platform
18:00 - 19:00	LEDS Talk/GIZ (tbc)	“LEDS Talk!” virtual speed networking

Time (GMT)	Organizer	Session Title
09:30 - 10:30	Florence School of Regulation – Global	Energy, food, water, health and climate nexus followed by announcement of new FSR global online course on SDG nexus
10:45 - 11:30	World Resources Institute / SEforALL	Accelerating the Transition from Energy Efficient to Zero Carbon Buildings
12:30 - 13:15	Center For Environmental Governance (Cego) – Ghana (tbc)	Producing Cleaner and Renewable Energy in Ghana: The Thrust of Ghana Beyond Aid
13:30 - 13:45	<b>ENERGY COMPACT ANNOUNCEMENTS</b>	
14:00 - 14:45	UNEP / SEforALL	Be Bold: Sustainable Cooling for All
15:00 - 15:45	World Evangelical Alliance	Fostering Inclusive Innovation Within the Christian Church That Leads to Accelerating Its Role and Impact in Care of Creation Through Advancing the Delivery of Clean Renewable Energy
16:00 - 16:45	Resilient Cities Network	Green and Equitable Recovery
17:00 - 17:30	UNITAR on behalf of the Global Platform for Action on Sustainable Energy in Displacement Setting	Clean energy access for displaced communities - Ensure reaching the last mile

Time (GMT)	Organizer	Session Title
9:30 - 10:15		<i>Reserved slots</i>
10:30 - 11:15		<i>Reserved slots</i>
11:30 - 12:15		<i>Reserved slots</i>
